The candidates will be nominated at the October meeting, and the slate of candidates will remain open for the November meeting. At the November meeting, nominations will be called for, and the slate of candidates will consist of at least one or more candidates for each office. All voting for candidates will be done by mail ballots which are sent to voting club members, excluding Club Associate members, members under 16 years of age and the current Club President at the time of the election, within 7 days of the December meeting. These ballots must be returned to the Secretary, unopened until the December meeting where they will be opened and counted under the direction of the Club Vice President and the Secretary. Candidates receiving the highest number of votes, whether a majority of total votes cast or not, shall be thereby elected. Ties in votes casted will be decided by vote of the current Club President. The candidates will assume the

duties of office on January 1st following the election. When only one person is running for each office, no mail ballot will be sent out, with the nominated assuming office on January 1st.

Executive Committee Members are not required to pay Massanutten Archery Club dues while in office.

The Executive Committee Members are required to join the International Bowhunters Organization (IBO).

The VBA Club Representative will attend the quarterly VBA meeting, taking the action the club directs and reporting back on the VBA actions to the club.
